Full Score 04490190

After seeing John Ford's classic film *The Quiet Man* as a youngster many years ago, I had always aspired to write a film score based on an Irish subject. When Ron Howard asked me to score his film *Far and Away*, I immediately realized that my opportunity had arrived.

Given the richness of Irish vernacular music, the challenge to create original melodies in the Irish style was a daunting one. Nevertheless, it was a challenge I particularly enjoyed and had great fun with.

I wrote one theme attempting to depict County Galway circa 1892, another describing the "fighting Donelly's," a love theme for the characters Joseph and Shannon (played respectively by Tom Cruise and Nicole Kidman), and a "blowing off steam" fight theme that accompanied the typically Irish fun-filled "donnybrook" that was so perfectly realized in the film.

My fondest hope is that orchestras and audiences might derive even a fraction of the pleasure from this music that I had in writing it.
